

Troop 37 Service hour policy

We encourage our youth to earn their service hours doing something benefitting our communities at large. The tasks can vary greatly.

Here are some examples:

- Help the Red Cross pass out flyers for a blood drive
- Serve meals at a homeless shelter
- Play a musical instrument to a group of patients or elderlies at a hospital or nursing home
- Help clean a Church's property
- Run coffee hours at a community center or church
- Maintain a trail
- Help a fellow scout with his Eagle project
- Participate in a Cub Scouts event like a cub freeze or chuck wagon

Do not participate in events that are not age appropriate or dangerous. The website below has some guidelines on what you should know.

We require that you get a signed and dated statement from the event organizer, group leader or supervisor that you have participated in the event. A prepared statement has been created for your convenience. Print and take it with you. Please bring the completed statement when you come in for a badge or rank qualification. Service hours cannot be combined for badge and rank.
